Building Official

COUNTY OF RIVERSIDE BUILDING AND SAFETY DEPARTMENT

FINAL GRADING CERTIFICATION

The purpose of this handout is to clarify the final grading certification requirements for grading permits. Below is the required format and required content of the grading certification. The final grading inspection will be done concurrently with the final inspection of the building.

Date

Attention: Grading Division
County of Riverside
Building and Safety Department
4080 Lemon Street, 9th Floor
P.O. Box 1629
Riverside, CA 92502-1629

RE: Project Name
Project Address: Street, City, CA and Zip Code
Permit Number: BGR xxxxxx (FP yyyy where applicable)
Tract, Parcel Map or Project No:
Lot No.

Subject: Civil Engineer's Certification of Final Grade

I hereby approve the final grading for the above referenced project in accordance with my responsibilities under California Building Code Appendix "J" and Riverside County Ordinance No. 457. Grading has been completed in conformance with the approved grading plan(s) including: completion of required engineered or other drainage devices and retaining walls, location of property corners for proper building location and elevation of building pads, location and slope ratio for all manufactured slopes and construction of earthen berms and positive building pad drainage. In addition, all slopes are irrigated and planted in accordance with the grading notes and Riverside County Ordinance No. 457.
